# ARMCHAIR LIAH

The simple yet modern design with a beech wood frame, stained in an oak or walnut finish, creates an inviting atmosphere. With the different backrest heights of the Chair and Armchair, individual room concepts can be designed. The model is comfortable and, with its functional, ergonomic shape, offers a wide range of applications in the Health & Care sector. Optionally, the model can also be fitted with castors on the front legs, allowing the seated person to be easily pushed up to the table from behind. Various flame-retardant and easy-care Upholstery materials specially suited to the Health & Care sector are available for the upholstery, including Parotega, Paratexa, Marou, Addison and Sheldon.

- Ergonomic handling
- Optionally with castors
- Special fabrics for care areas
