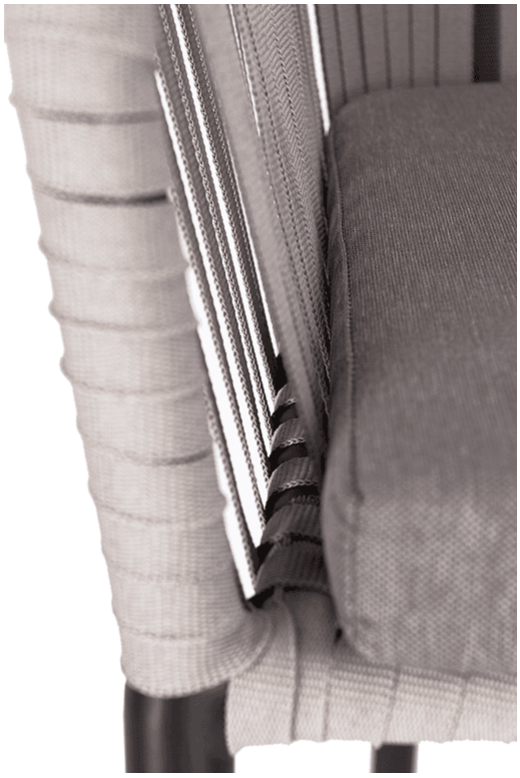
ARMCHAIR PENYA



The stackable Armchair Penya is designed for heavy-duty outdoor use: a powder-coated aluminium frame ensures low weight and high stability. The quick-drying weave does not absorb water, does not become saturated and is ready for use again immediately after rain. A matching Seat cushion is included and provides comfortable seating for daily use. UV-resistant, weatherproof materials prevent fading and make the chair suitable for use throughout the seasons. The smooth surfaces can be cleaned quickly and easily – ideal for terraces, beer gardens or hotel pools. Available in two colours and also as a Bar stool in the same design.

- Quick-drying mesh - can be used again immediately after rain
- Lightweight, sturdy, and stackable
- UV-resistant and weatherproof
