The Maruba series consisting of: outdoor Chair, Armchair and Bar stool impresses with a powder-coated aluminium frame that is robust, weather-resistant and easy to handle. The materials used are very easy to maintain and are ideal for intensive contract and hospitality use. All versions are stackable and can be stored to save space. The ergonomically shaped backrest ensures high seating comfort – even over longer periods. Thanks to its classic-modern design, the series can be flexibly combined with many projects and offers a very attractive price-performance ratio.

- Robust and stackable
- High seating comfort
- Quick-drying, UV-resistant, and weatherproof
