ARMCHAIR TADEVI

Tadevi is a robust outdoor Armchair for the hospitality, hotel and contract sectors, featuring a powder-coated, scratch-resistant aluminium frame – easy-care, lightweight and stackable. The teak elements are hard-wearing, suitable for outdoor use all year round and, if left untreated, develop an elegant silver-grey patina over time. If the warm, golden-brown teak tone is preferred, the wooden parts should be oiled before first use and the treatment repeated regularly. Ergonomically shaped wooden slats in the seat and backrest ensure a high level of seating comfort, even during prolonged sitting. The gently rounded teak slats create a particularly premium look, impress with their smooth feel and reflect the trend towards organic, soft shapes.

- Robust outdoor Armchair with scratch-resistant, powder-coated aluminium frame
- Weatherproof, solid teak wood
- Ergonomic, rounded wooden slats
