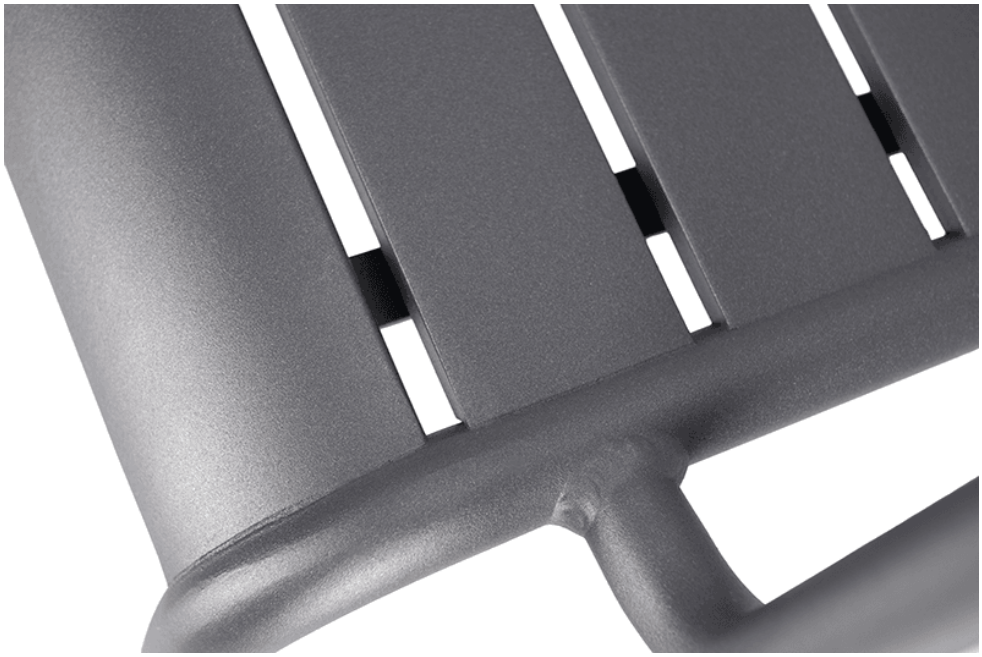
2-SEATER BENCH HECO



The Heco furniture series made of powder-coated aluminium includes Chair, Armchair, Bar stool and 2-seater Bench. All elements are lightweight, stackable and suitable for flexible seating in indoor and outdoor areas. The powder-coated surfaces are easy to maintain, scratch-resistant and designed for intensive daily use.The deliberately slightly larger frame diameter is a key design feature: it emphasises the round, soft lines and gives the series a calm, high-quality appearance. The timeless look of this specially developed collection blends seamlessly into cafés, restaurants, bars, hotels, offices and public institutions alike.

- Lightweight, stackable aluminum series
- Easy to clean and scratch-resistant for everyday use
- Timeless, versatile design
- Indoor as outdoor
