

CHAIR GRETA

The fan back and typical bentwood curves will never go out of style: the classic beech wood bistro chair is available in walnut and black finish, with or without armrests or optional seat cushion. Bentwood is bent solid wood. The process of bending wood without it breaking was developed around 1830: the master carpenter Michael Thonet succeeded in using steam to give wood a stable bent shape - steam causes the lignin, which is responsible for the strength of wood, to soften and the piece of wood can be bent. The process is still called the Thonet process after its inventor. Beech wood in particular is very easy to bend into a beautiful shape due to its comparatively short wood fibers.

- Coffee house classic
- High quality crafted bentwood chair
- Compact design

Product details

Identity number:	101TI1
Model:	Greta
Product type:	Chair
Frame / foot:	beech
Sustainable product:	Short transport routes , Upholstery can be reupholstered / replaced
Sustainable:	Yes
Frame colour / foot:	black-stained and lacquered
Suitable for fabric concept:	Yes
Colour Seat upholstery:	dark red
Seat upholstery:	Faux leather Casual
Area of use:	indoor

Technical specifications

Overall width:	45 cm
Overall depth:	48 cm
Overall height (approx.):	79 cm
Seat height:	49 cm
Seat depth:	41 cm
Assembly condition:	partially assembled
Height:	79 cm
Width:	45 cm
Depth:	48 cm
Weight:	5.39 kg
