Modular system can be planned individually /
Système modulaire planifiable individuellement

riesige Stoffauswahl /
huge selection of fabrics /
immense choix de tissus

universell einsetzbar durch schlichte und klare Linien /
universally applicable due to simple and clear lines /
utilisation universelle grâce à des lignes sobres et claires

An elegant solution for smaller lobbies and waiting areas is offered by the compact Chilly sofa system with optional linking elements. The frame is available either with straight wooden legs in beech walnut stain, beech oak stain, black beech, or stainless steel, or with conical legs in beech walnut or beech oak stain. Chilly is part of the fabric collection and is therefore available in many color and fabric variants.

- huge fabric selection
- Modular system can be planned individually
- universally applicable due to simple and clear lines
