

CHAIR GUSTL

The *Gustl* chair, made from solid hardwood, combines traditional beer hall style with high load capacity. Durable joints ensure stability up to 160 kg, while the lacquered, easy-care surface protects the wood and makes cleaning simple. Robust, timeless, and ideal for the hospitality industry.

- lacquered, easy-care surface
- solid **hardwood** – durable and stable
- robust joints – for maximum load capacity up to *160 kg*
- lacquered, low-maintenance surface
- Solid hardwood throughout – durable and sturdy
- Hard-wearing joints – for heavy loads up to 160 kg
