CHAIR MARUBA

Designed for demanding contract environments, this chair combines robust construction with a stackable design for efficient storage and fast room changes. The ergonomically shaped seat delivers high seating comfort for guests, staff and visitors throughout the day. Made for outdoor use, the material is quick-drying, UV-resistant and fully weatherproof, keeping its look and performance even in heavy-use settings. Ideal for cafés, terraces, event spaces and breakout areas where reliability and easy handling matter.

- Robust and stackable
- High seating comfort
- Quick-drying, UV-resistant, and weatherproof
