STOOL ELVINA

GO IN

The stylish stool Elvina, made of durable plastic with an easy-care faux leather cover, convinces in daily use. It is available in three subtle color variants that either blend in unobtrusively or, depending on the combination, can also set a deliberate accent. Thanks to its stackable design, it can be stored space-savingly and is quickly available as an extra or quick seating option. The organic, rounded design looks modern and contemporary while providing a soft, inviting appearance. The tone-on-tone design of the materials allows the stool to blend effortlessly into many interior and color schemes.

- Easy-care stool made of durable plastic with a faux leather cover.
- Stackable and flexible, usable as a quick additional seating option.
- Organic design and tone-on-tone styling blend subtly while still allowing accents.
- Low-maintenance Stool made of robust plastic with faux leather upholstery
- Stackable and flexible, suitable as quick extra seating
- Organic design and tone-on-tone design blend in subtly yet can still make a statement.
