

## 3-SEATER ELEMENT **TUYA**

The convex surfaces on the backrest, armrests, and seat surfaces give TUYA its distinctive character. This makes TUYA a true eye-catcher in any setting. The fine craftsmanship of the upholstery, which demonstrates great skill, further enhances the high-quality overall appearance down to the last detail. TUYA is available with two leg options: very robust and stable black powder-coated steel legs or solid, tapered wooden legs made of natural oak. Thanks to the high-quality, molded foam, TUYA offers excellent ergonomics. TUYA is available as an armchair, a 2-seater, and a 3-seater. All three variants come with a low backrest, while the 3-seater is also exclusively available with a high backrest. The high backrest creates a discreet atmosphere for guests and also helps reduce noise, ensuring a pleasant spatial experience that encourages longer stays.
