Comfort & choice in seat covers /  
Confort et choix pour les housses de siège

The upholstered chair Liska – optionally with or without armrests – sets a special accent with the distinctive cut-out in the backrest. It impresses with high seating comfort and is available in the upholstery fabrics Cosy, Minea and Cosyshine. Four bases are available: natural oak, Merano brown beech, black powder-coated steel or black with brass sleeves for an extravagant look. In addition, Liska is also available with a swivel base with return function – for more freedom of movement at the table and an automatically tidy look after standing up.

- Signature detail: The cut-out in the backrest makes Liska immediately recognizable and sets a clear accent
- Comfort + choice of upholstery: Cosy, Minea or Cosyshine provide noticeable seating comfort and different appearances
- Swivel base with return function: More freedom of movement and automatically neatly aligned after standing up.
